Re: Post-Season Tournament Information

- As stated on your regular season schedules, the **four** teams with the best record will compete in a single elimination post-season tournament. However, all teams will play two matches.
- All matches will consist of the best of three games. Game one & two will be to 25 points (27 point cap), but the third game (if needed) will be to 15 points (no cap, win by two). All matches will be played using speed/rally points just like the regular season.
- Please review the information below for date, time and location of your tournament.

Matches A & B	Tuesday, February 21	8:15 pm	<i>Allen Middle School</i>
Matches C & D	Tuesday, February 21	9:15 pm	<i>Allen Middle School</i>
